19) You can mount the "Lolita" © pearl on a cable to turn it into a minimalist necklace 😊

20) With 2 Lolita© pearls make a pair of earrings 😊

21) Why not a necklace with several pearls on a cable and some 6 mm round beads for the choker 😊

A row of " Lolita " pearls 😊

I made a Lolita© pearl as indicated HERE with 6 Volos starting, then a pearl with 5 Volos and a pearl with 4 Volos starting and continuing with the other steps.
Then I inserted a 6 mm bicone between each pearl on a cable.
Pick up a 60 cm chain 😊 A nice long necklace very chic 😊
Nice idea isn't it ?

I wish you a happy beading. I offer you this pattern.
